

Affiliate Program Terms

Effective date: 15 October 2026

40% lifetime commission • 30-day hold after each sale • Bank transfer or PayPal payouts

1. Program Overview

The Durrun Affiliate Program allows approved participants ("Affiliates") to refer customers to Durrun using their assigned referral link. These Affiliate Program Terms ("Terms") govern participation and supplement Durrun's Terms of Service and Privacy Policy.

2. Commission: 40% Lifetime

Durrun pays a **40% lifetime commission** on eligible payments made by each customer attributed to an Affiliate. For recurring subscriptions, the commission continues for as long as the referred customer maintains an eligible, paid subscription, subject to these Terms.

Commission is calculated on the amount Durrun actually receives for the eligible product or subscription, excluding taxes collected for authorities, refunded amounts, chargebacks, and payment reversals. If a transaction is discounted, commission is calculated on the discounted amount actually received.

Commissions are not earned on free accounts, failed or unpaid transactions, an Affiliate's own purchases, duplicate/fraudulent accounts, or transactions generated through prohibited activity. Durrun may correct tracking errors and reverse commissions that were not validly earned.

3. Referral Tracking and Attribution

Referrals must be made through the Affiliate's assigned referral link or another tracking method expressly approved by Durrun. The system will attribute a customer according to the referral tracking record available to Durrun. Tracking may be affected by browser settings, cookie restrictions, device changes, ad blockers, or other technical factors, so Durrun cannot guarantee every click or signup will be tracked.

Where the tracking system supports a cookie-based attribution window, the intended window is 30 days from the referral click. If a customer has already been attributed to another Affiliate, Durrun's recorded attribution will apply unless corrected for a documented tracking error or fraud.

4. Commission Hold and Payouts

All commissions are held for 30 days after the related sale. This hold allows time for refunds, cancellations, chargebacks, payment reversals, and fraud checks. After the 30-day hold expires, eligible commissions become payable and are included in the next payout processing cycle.

Payouts are made by **bank transfer or PayPal**, subject to availability in the Affiliate's country and completion of any required verification. Affiliates must provide accurate payout details and keep them up to date. Bank or payment-provider fees, currency conversion costs, and intermediary charges may apply and may be deducted by the relevant provider.

Durrun may delay a payout while a transaction, account, identity, tax detail, or suspected violation is being reviewed. Commissions linked to refunds, chargebacks, fraudulent transactions, or policy violations may be withheld or reversed, including after they appear in a dashboard.

5. Affiliate Eligibility and Account Details

Affiliates must provide accurate registration, contact, tax, and payout information and update it when it changes. Durrun may approve, reject, pause, or terminate an application or account where reasonably necessary to protect the program, customers, or Durrun.

Affiliates are responsible for determining and meeting their own tax, disclosure, registration, and other legal obligations. Durrun may request identity, tax, or payout verification before releasing commissions where permitted or required by law.

6. Promotion and Disclosure Rules

Affiliates must clearly disclose their material relationship with Durrun wherever required by applicable law or platform rules. Promotional content must be truthful, not misleading, and consistent with Durrun's current public information.

Affiliates must not send spam or unsolicited bulk email; make false earnings, discount, or performance claims; impersonate Durrun or its staff; use misleading redirects, cookie stuffing, fake leads, bots, malware, or fraudulent transactions; or place promotions on illegal, deceptive, or rights-infringing websites.

Do not bid on Durrun trademarks or confusingly similar terms in paid advertising where prohibited by Durrun's published instructions or the applicable advertising platform. Do not offer unauthorized discounts, coupons, bonuses, or incentives, and do not claim authority to make commitments on Durrun's behalf.

7. Brand and Marketing Materials

While participating, Affiliates receive a limited, revocable, non-exclusive, non-transferable permission to use approved Durrun affiliate links and brand materials solely to promote Durrun in accordance with these Terms. Affiliates may not alter logos, register confusingly similar domains or social handles, or suggest that they own or operate Durrun.

When participation ends, or when Durrun requests it, Affiliates must stop using Durrun brand materials and remove or disable promotional content that is no longer authorized.

8. Monitoring, Suspension, and Termination

Durrun may review referral activity and request supporting information. We may suspend tracking or payouts, reverse invalid commissions, or terminate participation for suspected fraud, unlawful conduct, misleading promotion, reputational harm, or breach of these Terms.

On termination, Affiliates must stop representing themselves as Durrun Affiliates. Eligible, undisputed commissions earned before termination will be handled under the payout rules, subject to the 30-day hold, verification, reversals, and applicable law.

9. Relationship of the Parties

Affiliates are independent participants and are not employees, agents, partners, franchisees, or legal representatives of Durrun. Affiliates may not enter into contracts, incur obligations, or make warranties on Durrun's behalf.

10. Program Changes and Availability

Durrun may update, pause, or discontinue the Affiliate Program or change its terms prospectively. Where required by law, Durrun will provide notice of material changes. Changes will not retroactively reduce commissions already validly earned, except for adjustments related to refunds, chargebacks, fraud, errors, or other invalid transactions.

11. Privacy

Information used for affiliate enrollment, referral attribution, fraud prevention, communications, and payouts is handled under Durrun's Privacy Policy. Affiliates must handle any personal information they collect lawfully and securely.

12. Acceptance and Contact

By checking the Affiliate Program Terms acceptance box and submitting an application or participating in the program, you confirm that you have read and agree to these Terms, together with Durrun's Terms of Service and Privacy Policy.
